

Greenacres School is experiencing significant growth. This is putting our accommodation capacity under pressure.

The Ministry of Education has written to the Board of Trustees requiring us to implement an enrolment scheme to manage future enrolments.

For details of the proposed zone please refer to our website www.greenacres.school.nz or contact the school office.

This will mean that children from families who live within the home zone have the right to enrol at the school. All other enrolments will be subject to the enrolment scheme legislation.

All children currently enrolled and enrolled before the scheme commences will be considered as 'in zone children'.

NOTE: "Enrolled" means has turned 5 and is present at school.

Before implementing the scheme, the Board is required to advise the community of the intended action and you are invited to make comment about this. Comments can be submitted by email to bot@greenacres.school.nz or sent in writing to Board of Trustees, Greenacres School, 60 Raroa Terrace, Tawa, Wellington or delivered to the school office by Wednesday 15 March.
